741 GEET

Serious Sound. Not so serious money.

Standing at exactly 1 metre tall, 741 GEET delivers powerful bass and the signature 741 open-baffle sound - designed to bring realism, openness and emotion back into music. The name GEET is inspired by the character from Jab We Met and the idea of making something special accessible to more people.

KEY PRODUCT FEATURES

Strong Punchy Bass
Custom 8-inch long-throw woofers belt out deep, impactful bass that effortlessly surpasses expectations for a speaker of this size.

Signature Open Baffle Midrange
4-inch open baffle mid driver creates an ultra-clear, wide soundstage that eliminates box colorations and renders natural vocal warmth.

Ear-Level Tweeters
Tuned 1-inch Piezo Electric tweeters positioned at ear level, engineered to emote subtle micro-details even at all listening volumes.

Compact 1-Metre Form Factor
Stands at exactly 1 metre tall (39"). Ideal for modern apartments and cosy interiors where space is premium, but big sound is essential.

Resonance-Damped Construction
17mm high-density MDF cabinet treated with partial Butyl Rubber internal lining to eliminate cabinet vibration and colorations.
